Glastonbury, CT 06033

Re: Town Manager's Report

Dear Council Members:

The following will keep you up-to-date on various topics.

1. Project Updates:

Riverfront Park: The design and permitting process is beginning for the proposed Riverfront Park – Phase II project. This is consistent with the Master Plan reviewed and supported by Council in July 2009..

Magnet School: Design and site planning is underway. I will provide updates to Council as this process continues including the site and building plan when such information is available.

2. Software Purchase:

At the January 12th meeting, I advised of the proposal to update tax/assessor software through a mid-year transfer. The Board of Finance at its Wednesday, January 20th meeting unanimously approved the proposed transfer of funds. Software will now be purchased and the new system in place for the July 1st tax bills. My thanks to Council for supporting this proposal.

3. Grant Award:

I am pleased to advise that Glastonbury is awarded a second phase of the Strategic Prevention Framework State Incentive Grant-To Prevent Underage Drinking. Glastonbury will receive \$20,000 through fiscal year end and \$75,000 for the following 4 fiscal years for a total of \$320,000.

I will be happy to review the preceding and any other items Tuesday evening.

Sincerely,

Richard J. Johnson
Town Manager
